

Wi-Fi Smart Scale with Body Composition & Heart Rate

Available colors:

Be empowered to improve your health with our most advanced smart scale. Body Cardio tracks weight, body composition (body fat, water %, muscle & bone mass), BMI and standing heart rate. All data syncs to the Health Mate app where you can view trends, set goals, and find extra motivation.

Features

Standing heart rate

Easily track your standing heart rate, a general indicator of your overall fitness. Increase activity to lower your standing heart rate over time.

Full body composition

Track weight, BMI, total body fat and water percentage plus bone and muscle mass

Weight trend screen displays a graph with previous 8 measurements, as well as the difference between the latest measurement and the one before

Automatic WiFi or Bluetooth synchronization with your smartphone

Family-friendly features

Recognizes and tracks up to 8 users, and includes breakthrough solutions for parents and pregnant women. With Baby Mode, parents can track their child's weight by simply stepping on the scale while holding their baby, and Pregnancy Mode gives personalized guidance with obstetrician-reviewed advice, tips, and personalized weight tracking.

Every weigh-in appears in the Health Mate™ app automatically: Health Mate™ coaches the users with tips and encouragement to help reach their objective

Local weather forecast

When the scale is connected over WiFi, it will provide a daily local weather forecast to help users plan their outfit and the day's activities
