

Version dated November 30, 2022

Withings Feedback Policy

WITHINGS highly values your ideas to enhance your experience on our Products and Services. This is the reason why WITHINGS actively encourages you to share with us your constructive ideas, including, but not limited to inputs, comments or feedbacks of any nature, including, technical nature, original work, inventive work (« **Feedback** »).

If you submit any Feedback to us, then, in all circumstances, the following terms shall apply to your Feedback.

You hereby agree that any such Feedback will be non-confidential and WITHINGS will be under no legal obligation to review nor implement changes suggested by your Feedback. Any Feedback you submit to WITHINGS will become WITHINGS exclusive property and, if such Feedback is of physical nature, WITHINGS shall have no obligation to return any submitted materials to you or to certify their destruction. You agree that WITHINGS will be free to exploit, redistribute and disclose any Feedback on an unrestricted basis and for any purpose without having to notify or compensate you, unless otherwise specified by any mandatory legal provision. You hereby release WITHINGS from all liability and obligations that may arise from the receipt, review, use, distribution or disclosure of any portion of any Feedback in connection with any Products or Services.
